

GRAFFITI REMOVAL PROGRAM

Capital Crossroads and Discovery Special Improvement District (SIDs) provides complimentary graffiti removal program for property owners within the boundaries of the SIDs. The SIDs or their contractor, Graffiti B Gone, will remove or cover graffiti from the first floor of buildings or other structures whenever the graffiti is visible from a public right of way. With the permission of the property owner, a trained professional will automatically remove graffiti within 24 hours of observing it or receiving a request from a property owner to remove it (subject to weather conditions, Sundays and holidays excepted).

If you would like to receive this service, please submit a separate right-of-entry consent for each building you want the SIDs to keep free of graffiti. You may complete one right of entry consent form and list or attach multiple addresses.

If you have any questions, please contact Lisa Defendiefer at 614-591-4508 or lldefendiefer@sidservices.com.
