

SIDS GRAFFITI REMOVAL PROGRAM

Capital Crossroads and Discovery Special Improvement Districts (SIDs) provide complimentary graffiti removal for property owners within the boundaries of the SIDs.

The SIDs or a property owner-approved contractor will remove or cover graffiti from the first floor of buildings or other structures whenever the graffiti is visible from a public right of way. With the permission of the property owner, a trained professional will automatically remove the graffiti, ideally within 24 hours of observing it or receiving a request from a property owner to remove it.

If you would like to receive this service, please submit a completed consent form with a list of the building(s) and associated address(es) you want the SIDs to keep free of graffiti.

If you have any questions, please contact Lisa Defendiefer at 614-591-4508 or ldefendiefer@sidservices.com.
